

INDOOR IR DOME CAMERA

CR420IRE3

CR420IRE3 is a fixed IR indoor camera in a stylish black color dome. This camera is equipped with Infrared LEDs ensuring clear picture even in dark or night conditions. Good picture quality, ease of installation and cost effectiveness makes this camera a preferred choice for all installers.

420 TVL H Resolution

1/3" CCD image sensor

0 Lux Min Illumination (IR ON)

10-15m IR Visible Range

Intelligent IR Compensation

Discreet Indoor Surveillance

SPECIFICATIONS

|                       |   |
|-----------------------|---|
| Image Sensor          | 1/3" SONY CCD                           |
| Effective Pixels      | PAL:500(H) x 582 (V)                    |
| Sync. Mode            | Internal                                |
| Horizontal Resolution | 420 TVL                                 |
| Video Output          | 1.0Vp-p 75 Ohm                          |
| S/N Ratio             | 48dB                                    |
| ES                    | 1/50~1/100000sec (PAL)                  |
| Lens                  | Fixed Board Lens 3.6mm                  |
| Minimum Illumination  | 0.3Lux/F1.2(IR LED OFF) 0LUX(IR LED ON) |
| IR LED                | 850nm                                   |
| IR LED Control        | ON: 1~3Lux; OFF: 5~6Lux                 |
| IR Beam Distance      | 10-15m                                  |
| White Balance         | Auto                                    |
| BLC                   | Auto                                    |
| AGC                   | Auto                                    |
| Compliance            | CE, FCC                                 |
| Supplied Voltage      | DC12V                                   |
| Dimension             | 94(dia) x 80(H) mm                      |
| Weight                | Approx. 300g                            |
| Consumed Current      | 120mA+300mA (Max) (IR LED ON)           |
| Operating Temperature | -10 ~+50 , RH 90%Max(Non-condensing)    |
